4. RE-FUELING SESSIONS

Necessary Backups

Amidst the ever-evolving realm of education, ATHENS goes beyond the constraints of fixed admission periods, welcoming students throughout the year. Recognizing the challenges faced by late joiners, we have pioneered innovative Re-Fueling methods to ensure no student is left behind.

ATHENS stands as a beacon of support, offering comprehensive back-ups for those who join late or encounter unexpected leaves.

These Re-Fueling sessions at ATHENS are not merely a catch-up mechanism; they are a testament to our dedication to the holistic development of every student. In this way, ATHENS not only opens its doors year-round but also ensures that each student, regardless of their entry point, receives the support needed to excel in their educational journey. **Conduct Guidelines:** *Upon enrollment of a new student or in the event of an emergency leave.*
