## 7. EARLY MORNING REVISIONS

## Sunrise Study Sessions

Unlock Your Academic Potential with Early Morning Revisions at ATHENS: Our transformative initiative, the 'Early Morning Revision' segment, has yielded remarkable results. Designed to empower students with a strategic advantage, this innovative approach encourages engagement in focused revision sessions from 4:00 AM to 6:00 AM, a time when the mind is fresh, and concentration is at its peak.

ATHENS supports this initiative with a dynamic student dashboard on our website, allowing seamless marking of entry and exit times for Early Morning Revisions on the calendar. This powerful tool tracks attendance, measures commitment, and ensures better retention and comprehension, fostering consistency. From our past experiences, we've witnessed substantial progress among those who embraced this regimen. **Conduct Guidelines:** Daily.
