## 8. DAILY PRODUCTIVITY REPORTS

## Performance Metrics

ATHENS pioneers an innovative approach to elevate academic standards. Our students are encouraged to prepare a 'Daily Productivity Report', detailing their progress in Physics, Chemistry, Biology, and Mathematics. This disciplined approach fosters uniformity and is facilitated through our student dashboard. Students can effortlessly submit their daily reports, and these entries are tallied monthly to gauge net productivity.

We've successfully experimented with this strategy last year, and it comes as no surprise that those who diligently submitted these reports emerged as ATHENS Toppers. Join us in this disciplined journey towards academic success, where consistent effort becomes the hallmark of achievement. **Conduct Guidelines:** *Daily.*
